CRIMINAL COMPLAINT (Page 2)

Cabell County Clerk's office on May 23, 2017 and learned Mr. Tuttle had voted an absentee ballot in Cabell County. According to their records, he obtained the absentee ballot on or about October 26, 2016 and it was received by their office on or about November 3, 2016. I obtained six (6) records from their office related to his obtaining the ballot and the signatures. According to the records sent from Ohio, Mr. Tuttle registered to vote in Franklin County on or about October 7, 2016 and voted on Election Day in-person on November 8, 2016.

I obtained copies of Mr. Tuttle's WV and OH driver's license signatures for comparison value. I also obtained copies of Mr. Tuttle's voter registration information for the signatures as well. On May 25, 2016, I submitted the question documents to the State Police Lab for handwriting analysis.

On May 30, 2017, I traveled to Columbus, Ohio to obtain additional records and to interview Mr. Tuttle. I was unable to locate him at his listed address.

On or about June 13, 2017, I reached Mr. Tuttle by phone and he denied having double voted. I then contacted the State Police Lab and learned the examiner needed additional signature exemplars for comparison. I worked to obtain other representative items for analysis.

On July 18, 2017, I again traveled to Columbus, Ohio and was able to locate Mr. Tuttle at 11655 E. Meadows Ct., Pickerington, OH 43147. After explaining to Mr. Tuttle the allegations and his rights, he confessed to having double voted in the 2016 general election. He claimed he did an absentee ballot in WV in probably August or September. He moved to Ohio in September. He admitted he had voted in Ohio on Election Day. He stated, "I had no idea it was illegal since I lived in Ohio."

On July 19, 2017, Carson Tuttle emailed the Elections Director of the WV Secretary of State's Office saying, "...I was informed that I am being investigated for voter fraud and I need help getting this cleared up. Last year in 2016 I was a resident of WV but I was in the process of moving to Ohio in September. I didn't think I would be able to vote in Ohio by election time so in September I filed an absentee ballot in WV. I ended up moving to Ohio and when I got my new drivers license I registered to vote. I didn't think nothing of it and when election time came in November I went to my listed polling place here in Ohio and voted. With moving and starting a new job and all the changes it didn't even dawn on me that I had actually voted twice or done anything wrong. Then a couple of months ago I received a call from an investigator he said I had voted in Ohio and WV. I still didn't really think I had done anything wrong because I definitely didn't do this on purpose. Then yesterday this investigator came to Ohio to interview me and informed me that this was a misdemeanor crime."
