A 26-year-old man received three years probation after he pleaded guilty to one misdemeanor election code violation in a Los Angeles Superior Court this week.

Mark Jacoby, owner of Political Majors, was arrested in October by Ontario police after an investigation with the Secretary of State Election Fraud Investigation Unit.

Jacoby collects signatures as part of his business, according to a news release from the Los Angeles County District Attorney's office.

California law states signature gatherers must sign a declaration that they are either registered to vote in California or are eligible to do so, authorities said.

Jacoby registered to vote at a childhood address where he no longer lives, according to his attorney, Michael A. Goldstein. He had also registered at his lawful address in the same voter precinct, Goldstein said.

The judge also ordered Jacoby to complete 30 days of Caltrans service and to register at his lawful address.
