ADMONISHMENTS

PUNISHMENT RECOMMENDATIONS

Defendant has been told of the full range of punishment for this case and that any punishment recommendation of the State is not binding on the Court. If the Court does not follow the recommendation the Defendant will be allowed to withdraw any guilty plea and the case will be set for trial. If the Court follows the plea agreement and assesses the agreed punishment the defendant cannot appeal the case without the Court's permission unless based on motions previously filed.

VOLUNTARINESS OF PLEA

The defendant hereby states that he is entering his plea of guilty/no contest freely and voluntarily, and only because he is guilty. The defendant confirms that he completely read and understands all the written waivers, stipulations and motions filed in connection with this plea, including those in this instrument, and the execution of each was done freely, voluntarily and intelligently, and that he is guilty as charged.

STIPULATION OF EVIDENCE AND JUDICIAL CONFESSION

In accordance with the laws and statutes of the State of Texas, the defendant now consents in writing and in open Court, waives the appearance, confrontation, and cross-examination of witnesses, and further consents either to an oral stipulation of the evidence and testimony or to the introduction of evidence in support of the Judgment of the Court. This waiver and consent is approved in writing by the Court.

In open Court and under oath, the defendant judicially confessed to the offense alleged in the indictment or complaint and information and admitted that he had committed each and every element alleged in the complaint and information and that he was guilty as charged.

WAIVER OF RIGHTS

In accordance with the laws and statutes of the State of Texas, the defendant, now in writing and in open Court, waives any and all rights secured him by law, whether of substance, or procedure, and states that any error which may have been committed is harmless.

WAIVER OF 10 DAYS PREPARATION & APPROVAL OF COUNSEL

The defendant in writing and in open Court and joined by his counsel, waives the 10 days preparation period provided in Art. 1.051.C.C.P. The Defendant in addition confirms that he is totally satisfied with the representation given him by his attorney and that his counsel was completely competent in every aspect of his representation.

WAIVER OF TIME TO FILE MOTIONS FOR NEW TRIAL AND IN ARREST OF JUDGMENT

Defendant, after punishment has been assessed and sentence has been imposed, in writing, and in open Court, waives the time provided in the Rules of Appellate Procedure, for filing a Motion for New Trial, and further waives the time provided in the Rules of Appellate Procedure, for filing of a Motion for New Trial, and further waives the time provided in the Rules of Appellate Procedure, for filing of a Motion in Arrest of Judgment.

WAIVER OF APPEAL

Comes now the defendant in writing and in open Court, and joined by his counsel, and after being duly sentenced in accordance with the punishment assessed, states that he understands that he has a right to appeal the conviction herein, as provided in the Rules of Appellate Procedures, and that if he is indigent and desires to appeal, counsel will be appointed at no cost to him. The defendant now understanding all rights in this connection, freely, and voluntarily waives and abandons his right to appeal in this cause.

WAIVER OF PRE-SENTENCE REPORT

The defendant agrees and requests the pre-sentence report not be made and the defendant further expressly waives said report.

NATURALIZATION WARNING

I understand that if I am not a citizen of the United States of America, a plea of Guilty of Nolo Contendere for the offense charged may result in my deportation, and my exclusion for admission to this country or the denial of naturalization under Federal Law.

ELIGIBILITY FOR PROBATION

If applicable, the defendant says under oath he is eligible for probation having never been convicted of a felony in this state or any other state.

DEFERRED ADJUDICATION

If the Court defers adjudication of your guilt and places you on probation, and later proceeds to an adjudication of your guilt, the Court may assess any punishment within the full range of punishment prescribed by law for the crime you were convicted. In the event a Motion to Proceed with adjudication is filed for violation of terms of probation, you will be entitled to a hearing limited to the determination by the Court of whether it should proceed with an adjudication of guilt on the original charge. No appeal may be taken from this determination. After an adjudication of guilt, all proceedings, including assessment of punishment, pronouncement of sentence, granting of probation,

and your appeal continue as if the adjudication of guilt had not been deferred. You may be arrested and detained upon violation of the terms of probation as provided in other cases of probation.

I hereby waive the reading of the terms and conditions of probation (if applicable) and understood that the terms and conditions of probation will be reviewed with me by the Adult Probation Department. I further understand that I have a responsibility myself to read the order placing me on probation and review its terms and conditions and that if I violate any term or condition it could result in my probation being revoked. I further represent that if I have any questions about the order placing me on probation and its terms and conditions, I will not execute or sign same until my questions are answered.

WAIVER OF JURY

Comes now the defendant in person and in open Court, and joined by his attorney, and counsel for the State, waives the right of trial by jury afforded him under the Constitutional Statutes of the United States and the Constitutional Statutes of the State of Texas, the waiver is made with consent and approval of the Court.

SEX OFFENDER REGISTRATION

I understand that I will be required to meet the Registration Requirements of Chapter 62. Since I have been convicted or placed on deferred adjudication for an offense for which I am subject to registration under that chapter.

FIREARM/AMMUNITION PROHIBITION

I understand that it is unlawful for me to possess or transfer a firearm or ammunition for a conviction of a misdemeanor involving family violence. Further, I understand if convicted of a felony offense I will be prohibited from possessing a firearm or ammunition as stated by law. A deferred adjudication for an offense involving family violence may result in potential federal charges for possession of a firearm or ammunition.

WAIVER OF ATTORNEY

I understand that I am entitled and have a right to be represented by an attorney, and that if I am too poor to hire an attorney, that court will appoint me an attorney. I am waving my right to an attorney, unless my attorney signs.

WAIVER OF COURT REPORTER

I understand that I have the right to have a court reporter present to make written records of these proceedings and I am waving my right to have a court report present

ADMONISHMENTS

PUNISHMENT RECOMMENDATIONS

Defendant has been told of the full range of punishment for this case and that any punishment recommendation of the State is not binding on the Court. If the Court does not follow the recommendation the Defendant will be allowed to withdraw any guilty plea and the case will be set for trial. If the Court follows the plea agreement and assesses the agreed punishment the defendant cannot appeal the case without the Court's permission unless based on motions previously filed.

VOLUNTARINESS OF PLEA

The defendant hereby states that he is entering his plea of guilty/no contest freely and voluntarily, and only because he is guilty. The defendant confirms that he completely read and understands all the written waivers, stipulations and motions filed in connection with this plea, including those in this instrument, and the execution of each was done freely, voluntarily and intelligently, and that he is guilty as charged.

STIPULATION OF EVIDENCE AND JUDICIAL CONFESSION

In accordance with the laws and statutes of the State of Texas, the defendant now consents in writing and in open Court, waives the appearance, confrontation, and cross-examination of witnesses, and further consents either to an oral stipulation of the evidence and testimony or to the introduction of evidence in support of the Judgment of the Court. This waiver and consent is approved in writing by the Court.

In open Court and under oath, the defendant judicially confessed to the offense alleged in the indictment or complaint and information and admitted that he had committed each and every element alleged in the complaint and information and that he was guilty as charged.

WAIVER OF RIGHTS

In accordance with the laws and statutes of the State of Texas, the defendant, now in writing and in open Court, waives any and all rights secured him by law, whether of substance, or procedure, and states that any error which may have been committed is harmless.

WAIVER OF 10 DAYS PREPARATION & APPROVAL OF COUNSEL

The defendant in writing and in open Court and joined by his counsel, waives the 10 days preparation period provided in Art. 1.051.C.C.P. The Defendant in addition confirms that he is totally satisfied with the representation given him by his attorney and that his counsel was completely competent in every aspect of his representation.

WAIVER OF TIME TO FILE MOTIONS FOR NEW TRIAL AND IN ARREST OF JUDGMENT

Defendant, after punishment has been assessed and sentence has been imposed, in writing, and in open Court, waives the time provided in the Rules of Appellate Procedure, for filing a Motion for New Trial, and further waives the time provided in the Rules of Appellate Procedure, for filing of a Motion for New Trial, and further waives the time provided in the Rules of Appellate Procedure, for filing of a Motion in Arrest of Judgment.

WAIVER OF APPEAL

Comes now the defendant in writing and in open Court, and joined by his counsel, and after being duly sentenced in accordance with the punishment assessed, states that he understands that he has a right to appeal the conviction herein, as provided in the Rules of Appellate Procedures, and that if he is indigent and desires to appeal, counsel will be appointed at no cost to him. The defendant now understanding all rights in this connection, freely, and voluntarily waives and abandons his right to appeal in this cause.

WAIVER OF PRE-SENTENCE REPORT

The defendant agrees and requests the pre-sentence report not be made and the defendant further expressly waives said report.

NATURALIZATION WARNING

I understand that if I am not a citizen of the United States of America, a plea of Guilty or Nolo Contendere for the offense charged may result in my deportation, and my exclusion for admission to this country or the denial of naturalization under Federal Law.

ELIGIBILITY FOR PROBATION

If applicable, the defendant says under oath he is eligible for probation having never been convicted of a felony in this state or any other state.

DEFERRED ADJUDICATION

If the Court defers adjudication of your guilt and places you on probation, and later proceeds to an adjudication of your guilt, the Court may assess any punishment within the full range of punishment prescribed by law for the crime you were convicted. In the event a Motion to Proceed with adjudication is filed for violation of terms of probation, you will be entitled to a hearing limited to the determination by the Court of whether it should proceed with an adjudication of guilt on the original charge. No appeal may be taken from this determination. After an adjudication of guilt, all proceedings, including assessment of punishment, pronouncement of sentence, granting of probation,

and your appeal continue as if the adjudication of guilt had not been deferred. You may be arrested and detained upon violation of the terms of probation as provided in other cases of probation.

I hereby waive the reading of the terms and conditions of probation (if applicable) and understand that the terms and conditions of probation will be reviewed with me by the Adult Probation Department. I further understand that I have a responsibility myself to read the order placing me on probation and review its terms and conditions and that if I violate any term or condition it could result in my probation being revoked. I further represent that if I have any questions about the order placing me on probation and its terms and conditions, I will not execute or sign same until my questions are answered.

WAIVER OF JURY

Comes now the defendant in person and in open Court, and joined by his attorney, and counsel for the State, waives the right of trial by jury afforded him under the Constitutional Statutes of the United States and the Constitutional Statutes of the State of Texas, the waiver is made with consent and approval of the Court.

SEX OFFENDER REGISTRATION

I understand that I will be required to meet the Registration Requirements of Chapter 62. Since I have been convicted or placed on deferred adjudication for an offense for which I am subject to registration under that chapter.

FIREARM/AMMUNITION PROHIBITION

I understand that it is unlawful for me to possess or transfer a firearm or ammunition for a conviction of a misdemeanor involving family violence. Further, I understand if convicted of a felony offense I will be prohibited from possessing a firearm or ammunition as stated by law. A deferred adjudication for an offense involving family violence may result in potential federal charges for possession of a firearm or ammunition.

WAIVER OF ATTORNEY

I understand that I am entitled and have a right to be represented by an attorney, and that if I am too poor to hire an attorney, that court will appoint me an attorney. I am waiving my right to an attorney, unless my attorney signs.

WAIVER OF COURT REPORTER

I understand that I have the right to have a court reporter present to make written records of these proceedings and I am waiving my right to have a court report present
