JACKSON, Miss. — A woman has been arrested and two men are hospitalized after an armed robbery and shooting in a store parking lot.

Detective Tommie Brown, with the Jackson Police Department, said the incident began about 7:45 p.m. Monday with a meeting arranged through Facebook Marketplace.

Brown said a 25-year-old man met in the Burlington parking lot on County Line Road in Jackson with 24-year-old Chancellor Holmes and 33-year-old Shaneque McAbee. Brown said Holmes and McAbee had responded to the man's ad on Marketplace.

"When they arrived, Holmes attempted to rob the seller of his property, which resulted in an exchange of gunfire," Brown said. "Both the seller and Holmes were wounded and were transported to the hospital to be treated for their injuries."

McAbee was arrested and charged with accessory to robbery. Brown said she appeared in court Tuesday and received a \$175,000 bond. Holmes will be charged with armed robbery, aggravated assault and shooting into an occupied vehicle when he's released from the hospital.

The victim's name and condition have not been released.
